

Rodeo City Rollergirls 2017 Season Sponsorship

As Ellensburg's women's flat track roller derby league — established in September 2010 — we have been thrilled to play to sold-out, standing-room-only crowds. Even more, we've been truly grateful for the amazing support we've received from the Ellensburg community.

In addition to providing a fun outlet and entertainment to the Ellensburg community, we are also committed to giving back. Our league is actively involved in community service and events – we love connecting with the community and helping wherever we can. We can't wait to start our new season and continue to share our love of this sport with the Ellensburg community.

Reasons Why We Need Sponsors Like You:

Practice Space — RCR is currently in need of a new space for practice and bouts, and the funds to support that space.

First Aid Supplies & EMT Personnel — First aid kits must be kept current with fresh supplies, and emergency medical personnel are present at all bouts to ensure the safety of our skaters.

Travel Expenses — Compensation for visiting guest coaches and refs, funds to offset gas and lodging expenses associated with "away" bouts.

Skater Scholarships — We would like to relieve some of the financial burden for deserving league members who would otherwise be unable to participate.

You Can Help Support the Rodeo City Rollergirls! We are a 501(c)3 nonprofit and your donation is eligible for tax credit.
